

The **Business Competition Policy** has as guidelines:

1. Ensure the existence of a formal and effective process of preventing the risk of anti-competitive conduct in the Bradesco Organization, with a view to ensuring compliance with legal and infralegal standards applicable to conducts in the context of competition and adherence to policies, rules and internal procedures.
2. Disseminate corporate culture and awareness in the prevention and combating of anti-competitive conduct.
3. Ensure the existence of mechanisms that promote the detection of possible anti-competitive conduct regarding competition.
4. Ensure the effective treatment of anti-competitive conduct investigations, correcting any distortions of conduct and ensuring the confidentiality of complaints, anonymous or not, made by any interested party.

We declare that this document is a faithful copy of the Competitive Corporate Policy, approved at the Special Meeting of the Board of Directors (RECA) No. 2,603, of 28.11.2016, whose last revision, without modifications, was recorded in the minutes of the Meeting of the Board of Directors (RCA) No. 690, of 21.03.2024.
